### **In Dreams (1963)**

**Roy Orbison**

A candy colored clown they call the sandman  
Tiptoes to my room every night  
Just to sprinkle stardust and to whisper,  
“Go to sleep, everything is alright.”

I close my eyes then I drift away  
Into the magic night  
I softly say a silent prayer  
Like dreamers do  
Then I fall asleep and dream my dreams of you  
In dreams I walk with you  
In dreams I talk to you  
In dreams you're mine all the time  
With you ever in dreams, in dreams  
But just before the dawn  
I awake and find you gone  
I can't help it, I can't help it  
If I cry  
I remember that you said goodbye  
It's too bad that all these things  
Can only happen in my dreams  
Only in dreams, beautiful dreams

### **Mysteries Of Love (1986)**

**Julee Cruise**

Sometimes a wind blows  
and you and I  
float  
in love  
and kiss  
forever  
in a darkness  
and the mysteries  
of love  
come clear  
and dance  
in light  
in you  
in me  
and show  
that we  
are Love

Sometimes a wind blows  
and the mysteries of Love  
come clear

### **Blue Velvet (1963)**

**Bobby Vinton**

She wore blue velvet  
Bluer than velvet was the night  
Softer than satin was the light  
From the stars  
She wore blue velvet  
Bluer than velvet were her eyes  
Warmer than May her tender sighs  
Love was ours  
Ours a love I held tightly  
Feeling the rapture grow  
Like a flame burning brightly  
But when she left, gone was the glow of  
Blue velvet  
But in my heart there'll always be  
Precious and warm, a memory  
Through the years  
And I still can see blue velvet  
Through my tears

(Bernie Wayne / Lee Morris)

### **Love Letters (1962)**

**Ketty Lester**

Love letters straight from your heart  
Keep us so near while apart  
I'm not alone in the night  
When I can have all the love you write  
I memorize every line  
And I kiss the name that you sign  
And, darling, then I read again right from the  
start

Love letters straight from your heart  
I memorize every line  
And I kiss the name that you sign  
And, darlin', then I read again right from the start  
Love letters straight from your heart
